Each day human beings face problems, opportunities, and decisions. It should be reflected that others are affected by those decisions. One must strive to achieve the best possible answers.

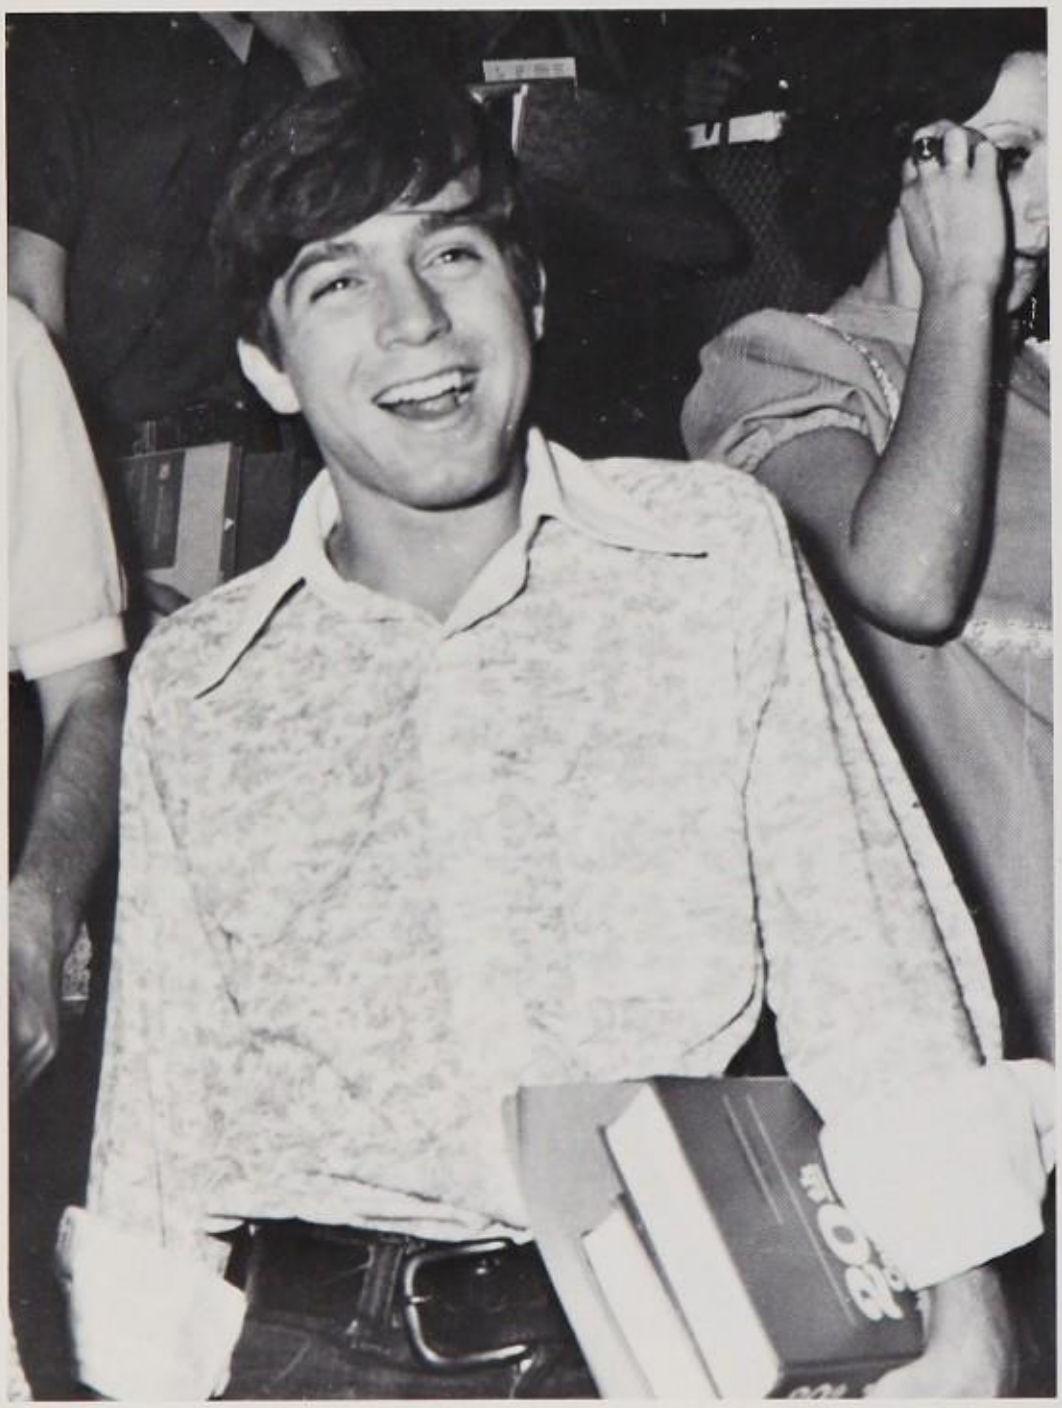
Reaching out to help others and not overlooking any opportunity is the zenith of living effectively. One who shows love to friends and enemies and reaches out to the world will find, in turn, the world reaching out to him.

As the world is constantly becoming more complicated every day, students at North Mesquite strive to find more in life. Youth reaches for the best and learns to give. Only within their minds and hearts, can serenity be found.

REACH...

. . . to those around you. Strive to help others.

Good concentration is important in performance. As a performer, one must strive to reach the goals he sets.



Happiness is a characteristic that everyone should have. People enjoy being with someone who is happy. Kenneth Anderson displays this trait between classes in the stairway.

Why are there teachers and administrators? These adults are here to help develop student knowledge. Years of continuous study enable them to enrich student's lives and broaden understanding. A myriad of courses are offered to help pupils in their everyday and in-the-future living.

Administrators oversee the educational process fitting and molding each part into the intricate whole.

Complementing teachers and administration are the counselors who offer guidance and counseling to students at all times, thus unifying the educational process to develop the whole individual to his highest potential.

Awards are presented to students on the basis of academic achievements. Those excelling scholastically in ROTC, sports, and various departments receive awards.

The presentation of awards is most important to the seniors. Graduates are hopeful that their perseverance will be as rewarding in college as it has been in high school.

HONORS • HONORS • HONORS •

Mike Anna Ranks Number One

Mike Anna receives his Valedictorian Decree and a congratulating handshake from Assistant Principal James McCoy at the Awards Assembly on May 23.

With 81.5 grade points Mike Anna received the honor of being this year's valedictorian. The easygoing senior maintained an A average in all his courses.

Mike was in the National Honor Society, Number Sense, was last year's Latin Club treasurer and is in the Science Club. He won second place in the district UIL meet in Number Sense, and has many trophies at home for his Number Sense skill.

Ranking in the top ten students for Derivatives in the Latin State Convention is another of Mike's achievements.

Playing golf and chess are a few of the many interests of the busy senior.

The University of Texas at Arlington is the school Mike has chosen to attend for the four or five years it takes to become an electrical engineer.

Taking advantage of the country club facilities on senior day Mike prepares to make his first drive of the day.

Mark Germer Chosen Salutatorian

Mark plays a game of pass at Senior Day.

Being chosen as this year's salutatorian is just one of the many achievements of Mark Germer. He ranked in the school with 78.5 grade points. Mark is president of the Latin Club, Battalion Commander of the ROTC, and a member of the Student Council, National Honor Society, and Science Club.

He was a National Merit Scholarship finalist and took first place in the Texas Latin Convention for Derivatives and also won first place in the Science UIL Invitational meet.

Optimist award winner Mark enjoys foreign cars. He likes everything from classical to hillbilly music.

Mark plans to attend the University of Texas and major in math and science. From there he hopes to enter a medical school and work toward the goal of becoming a doctor.

The Assistant Principal offers Mark Germer his hand in hearty recognition of his number two rank in the senior class.

Beauty, a good personality, strength of mind and body — pictured above are the Senior class officers whose fellow students think they possess all these traits: Laurie Bow; president, and Sharon Row; secretary. Both these students have been given several honors throughout the year, and one of these was leading the senior class in their goal of reaching.

Seniors '73

Reach up! Reach out! is a hard goal to attain in a world where each person is grabbing and working for himself and it is so convenient to take the easy way out.

This past year the seniors were extra special because they were the first graduating class to have gone all four years at North Mesquite. Now that they have graduated we hope they will remember their goals of reaching higher. This year went like many others with homecoming, slave days, prom, but as graduation rolled around we realized how really special the year was.

The following pictures are the Seniors of the 1972-73 session. As graduates with their years here behind them we wish them a good life in which they will always **want** to keep reaching. We think they are strong enough individuals to make it!

Students try their hand at individualized work designed for a specific job.

Determination and diligence show on the faces of some Special Ed students during a routine class assignment. Miss Elizabeth Cannon is instructor.

Student Life captures a few moments of the activities students take part in throughout the year. Moments of excitement at a pep rally, senior excursions, drama productions, and assemblies are seen. These extra activities help break the monotony of school's everyday routine.

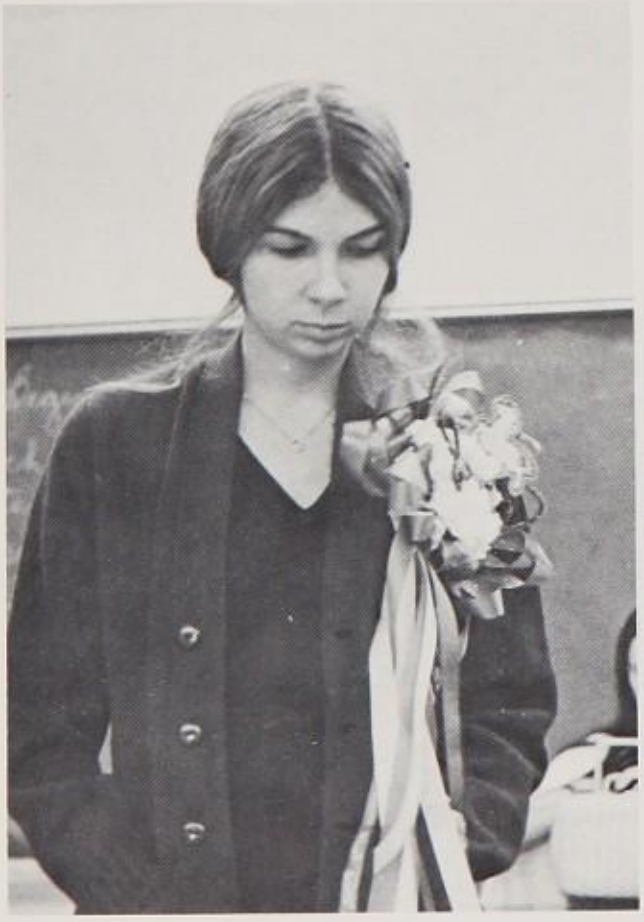
Home Again,

The four queens are Kerrie Street, accompanied by Mr. Price Street; Debra Snider, escorted by Mr. Grady Snider; Sharon Roe, accompanied by Mr. Ernest Roe; and Laurie Bow, escorted by Mr. Rutledge.



Judy Truesdell concentrates on the outcome of the game.

Four very lovely young ladies received awards at the 1972-1973 homecoming: Kerrie Street, Miss NMHS; Debra Snider, Band Sweetheart; Laurie Bow, Homecoming Queen; and Sharon Roe, Football Sweetheart.

Excitement filled the air throughout pregame ceremonies and the football game. North Mesquite celebrated its homecoming in grand fashion, complete with football game, queens, mums, and the dance. "Exodus," red roses, corsages, and a clash with the Garland Owls will long be remembered by the graduating seniors.

Naturally

Carla Case presents Laurie Bow with a dozen red roses.

Mr. Ganze looks on as Mark Kimball crowns Debbie Jones Stallion Battalion Sweetheart. Doug Cox presents Debbie a dozen red roses.

Graduates of 1972 including Cathy Tutt, Tommy Atwood, Linda Curry and Christi Gordon return home for the 1973 homecoming.

KLIF SPIRIT CONTEST

Hard Work Earns Top Rating

Students give their time, notebook paper and ink to win the number one rating in the KLIF Spirit Contest.

Teachers reaped the benefits from winning as Mr. and Mrs. Sloan enjoy an exciting evening at Granny's.

Blood Sweat and Tears throw their heart and soul into the concert given as the student prize.

Jerry Fisher sings the lead for Blood Sweat and Tears.

Outstanding Teamsmen Receive Awards

Football players receiving awards for outstanding performance are **back row:** Henry Harrison, defensive back of the year; John Simmons, Stallion Award; Scotty Yarbrough, offensive back of the year; **front row:** Bubba Duckworth, most valuable JV player; Scott Hinds, defensive lineman, and Billy Keeling, offensive lineman.

Organizations are formed annually to help a student become more involved with school. Knowing that studying is not the only part of school enables the student to enjoy coming to class. Initiative is gained by the involved member of an organization. There is an opportunity to enjoy and learn from participating in one of the student activities.

Pacesetters Promote School Spirit

Talent, hardwork, and lots of spirit all helped to make up the 1972-1973 North Mesquite Pacesetter Drill Team. The drill team was composed of Junior and Senior girls, directed by Miss Karla Blount.

At Varsity football games this year the Pacesetters offered a pom-pom routine to the music "When Johnny Comes Marching Home" and finished the season with a new cape routine to "Jesus Christ Superstar." Another innovation was performing with the band and choir using flags for a patriotic salute to America.

The pacesetters performed at four pep rallies during the football season. The Pacesetter of the Week award, given to one Junior and Senior girl, was announced at each pep rally.

Outside activities of the drill team were performing for the Town East Ford opening in the fall. Another project the girls did was doing something for the varsity football team to promote spirit. They decorated the boys' houses, prepared box lunches, made cupcakes, and spirit boxes along with many other special projects.

The Pacesetters attended two camps over the summer. At Kilgore the drill team won a novelty dance competition. They also attended Sandy Lake Amusement Park and were shown on television. The Pacesetters were honored by the booster club this year.

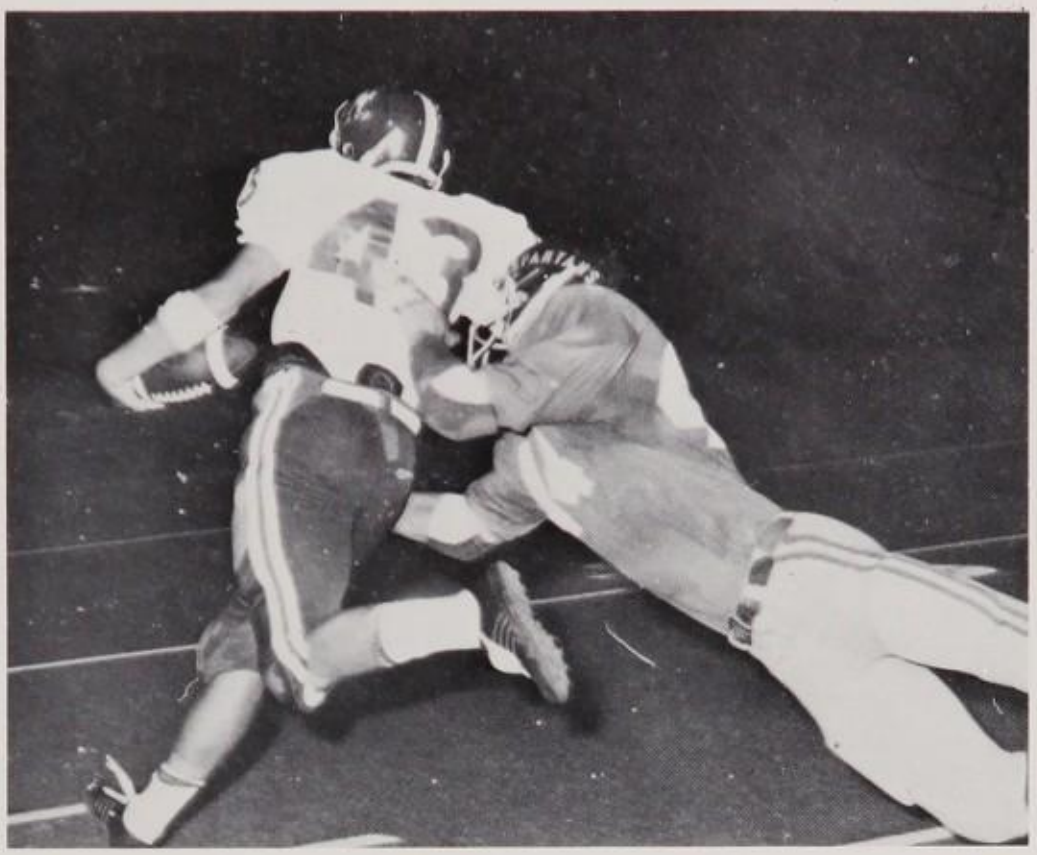
Stallions Vanquish Spartans

A 21 to 0 victory over the Samuell Spartans opened the North Mesquite Stallions' 1972-1973 season September 8. The Stallions started off with a 88 yard drive and six points were placed on the board by junior fullback, David Brown (35), with a one-yard plunge over the goal line.

The second score came in the fourth quarter by Terry Clem (43), who sprinted around left end for 36 yards and a touchdown, putting the Stallions ahead 14 to 0.

The final 6 points were crowded into the last of the fourth quarter by defensive halfback Rodney Talbot (22), who scampered 76 yards for the T.D.

All extra points were kicked by Ronnie Jones (40).



Spartan's defender makes a futile attempt to stop Terry Clem (43) on his way to the Stallion's first score of the game.

Stallions Blank Skyline

Staying in the winning circle for the second week the North Mesquite Stallions downed the Skyline Raiders 16-0. The September 15 game was a traditional Stallion-Raider clash because rain fell for the second straight year the two teams have met.

The Stallions led in every division of the game including 17 first downs and total yardage of 278, to the Raiders' 7 first downs and 102 net yardage.

Stallions were not scored on in their first two openings, at Hanby and at Forrester Fields.

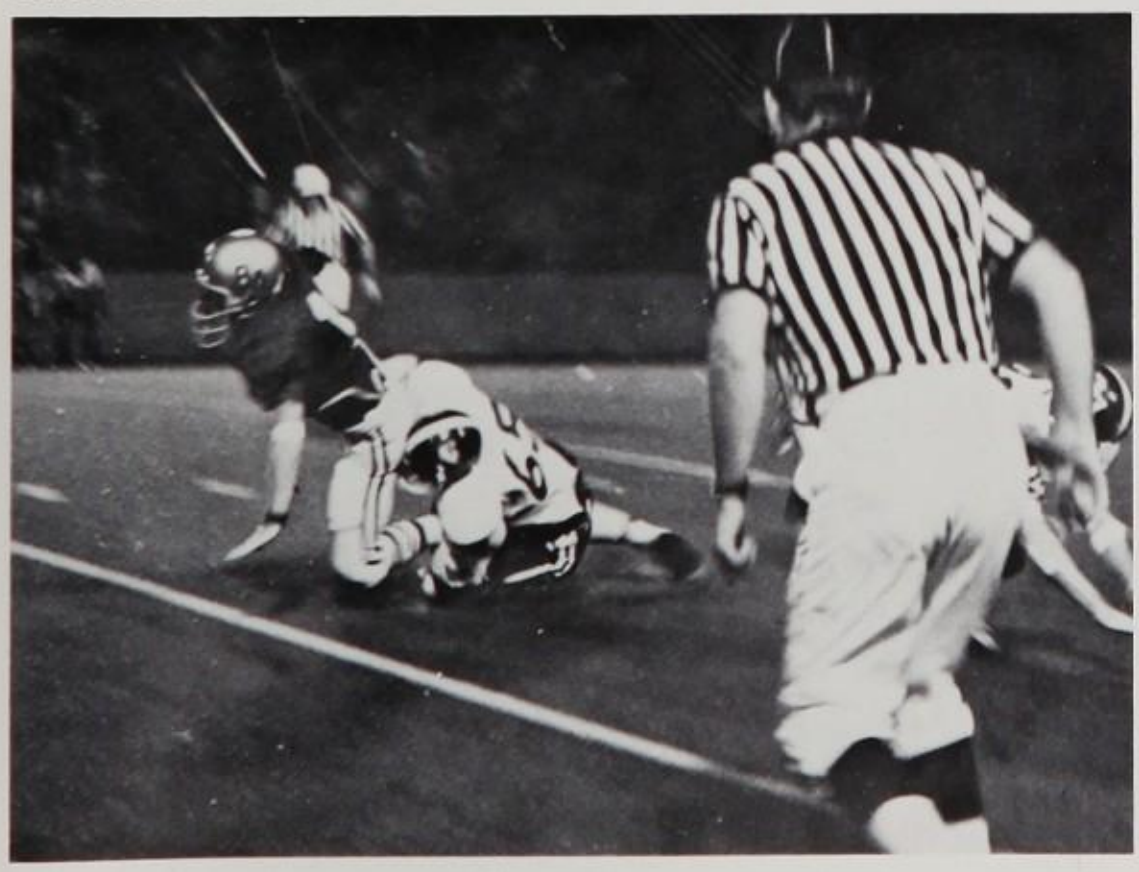
Roger Owens (24) makes clutch catch on Bryan Adams' 30 yard line to keep Stallions' drive alive.

Stallions' leading tackler for the game, Henry Harrison, brings down another player to stop a Cougar drive.

Stallions Cage Cougars

Stallion defender Stanly Mokszycki brings down Cougar running back for 7-yard loss in the third win of the season.



For the second time, Forrester Field was the sight of a Stallion victory Sept. 22. The Stallion offense had a hard time getting started, but 1:33 before the half John Simmons (11) threw a 76 yard bomb to Roger Owens (24) who ran into the end zone. With a score of 6-0 Ronnie Jones booted an accurate extra point which made it 7-zip.

In the first of the third quarter, the Cougars drove to the Stallion 6 yard line but the strong Stallion defense pushed them back again.

The final score came on a 3-yard leap by Gary Blair for a score of 14-0.

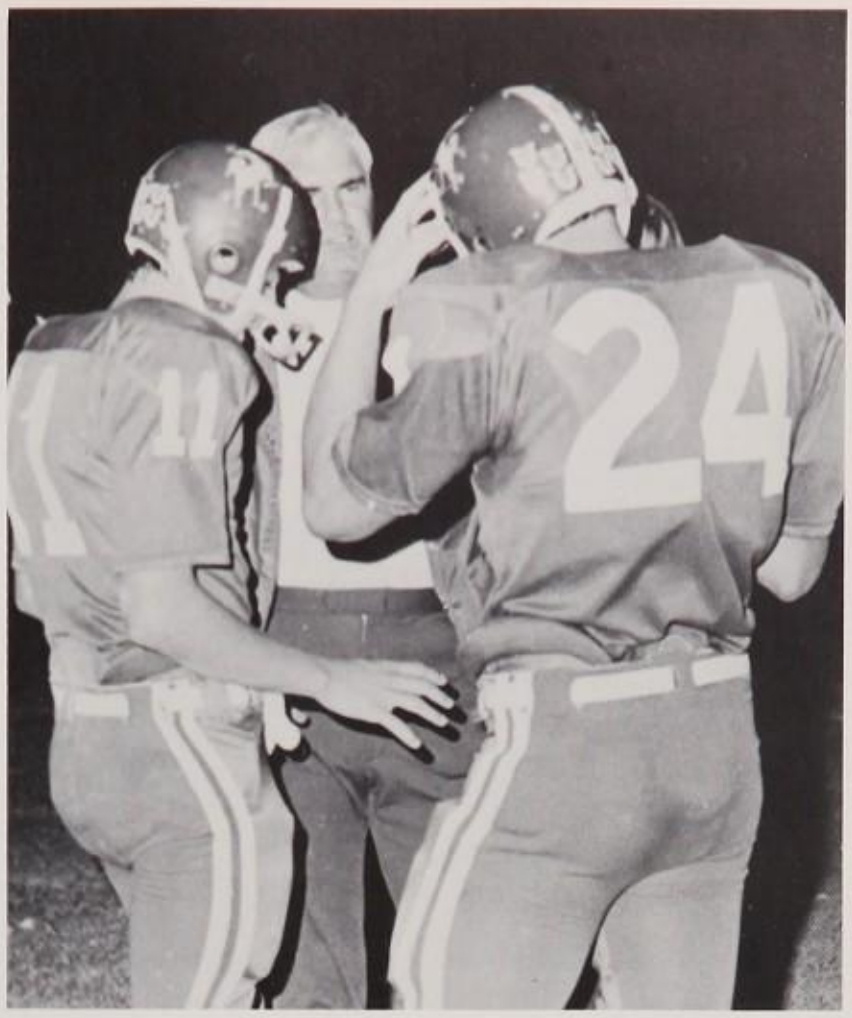
After last year's loss in district playoff, the Stallion defense proved itself by holding the mighty Arlington Colts to their stables in an exciting game which ended with the Stallions victorious by a score of 3 to 0. This game put the Stallions 4-0 in regular season play. The Stallion defense held the Colts to less than 100 yards for the night.

Gary Spoerl (82) and Rodney Talbot (22) close in on a Colt runner.

Stallion Defense Holds Colts

The barefoot wonder, Ronnie Jones (40), is shown here putting the only points of the night on the board. This fieldgoal was a good 27 yard attempt that rewarded the Stallions a 3 to 0 victory over the Colts.

Gary Blair (30) tries to evade a slew of South Garland defenders. This play went for a net gain of 25 yards, which started the Stallions on their way to a 34 to 0 victory.



Coach Charles Qualls discusses a new play with the quarterback John Simmons (11) and one of the tight ends, Roger Owens (24).

Stallions Win First District Game

In the first district game, Gary Blair (30) finds good blocking and plenty of running room.

On October 6 the Stallions initiated a winning streak by defeating the South Garland Colonels 34 to 0 in the first district game of the year. A quick 6 points was scored by N.M. when Gary Blair (30) streaked for 53 yards. The final two yards were made by junior David Brown (35).

The Colonels did manage to touch the ball on the kickoff but were jarred away by Johnny Stephens (20), who recovered the fumble on the twenty yard line. The most spectacular play of the night was when Roger Owens (24) took the handoff and set sail. The Colonels were ready for this, but the thing they hadn't counted on was Owens handing the ball to Rodney Talbot (22), who sped down the sideline for a 42 yard run and the third score of the night.

The North Mesquite Stallions' offensive line watches the referee give the hand signal signifying a Stallion score, achieved by Henry Harrison (13).

If you think you'll lose
you've lost.

For out in the world
you find.

Success begins with a
person's will

It's all in the state of mind.

Life's vict'ries don't always go
to the stronger or faster mare

As sooner or later, the man
who wins,

Is the man who believes
he can. —

SMU's Rotunda 1966

The final score of the game came when Roger Owens (24) snagged a T.D. pass.

Varsity Team Reaches but Slips in Denton Battle

Hoping to repeat last year's win the North Mesquite Stallions met their match Friday, October 13, at Denton Stadium. The Denton Broncos came out strong on a 5 yard pass in the first quarter. With the score 14 to nothing on the board, the Stallions came back with a pass of 26 yards from John Simmons (11) to split end Roger Owens (24).

The Stallions hit quick in the second half when Scotty Yarbrough (44) moved his way through with a 32 yard run. This set up the second score of the night, made by Henry Harrison (13).

The dynamic twosome of Leslie and Joe Varner led the Broncos across the endzone three more times. This left a final score of 35 to 14.

Stallion Randy Puckett (21) is pursued by Bronco Defender as he obtains the first down.

Stallions Rally Back in Third District Game

Scotty Yarbrough, (44), dashes around an H.P. right end to gain a Stallion first down. The Stallions went on to defeat Highland Park by a score of 14 to 3 in this October 20 game.

Owls Nest in N.M. Tree, 21-13

Terry Spurgeon, (83), tries desperately but in vain to gain a valuable first down, as Roger Owens, (24), and David Brown, (35), attempt assistance. The October 27 game ended with the Garland Owls on top 21-13.

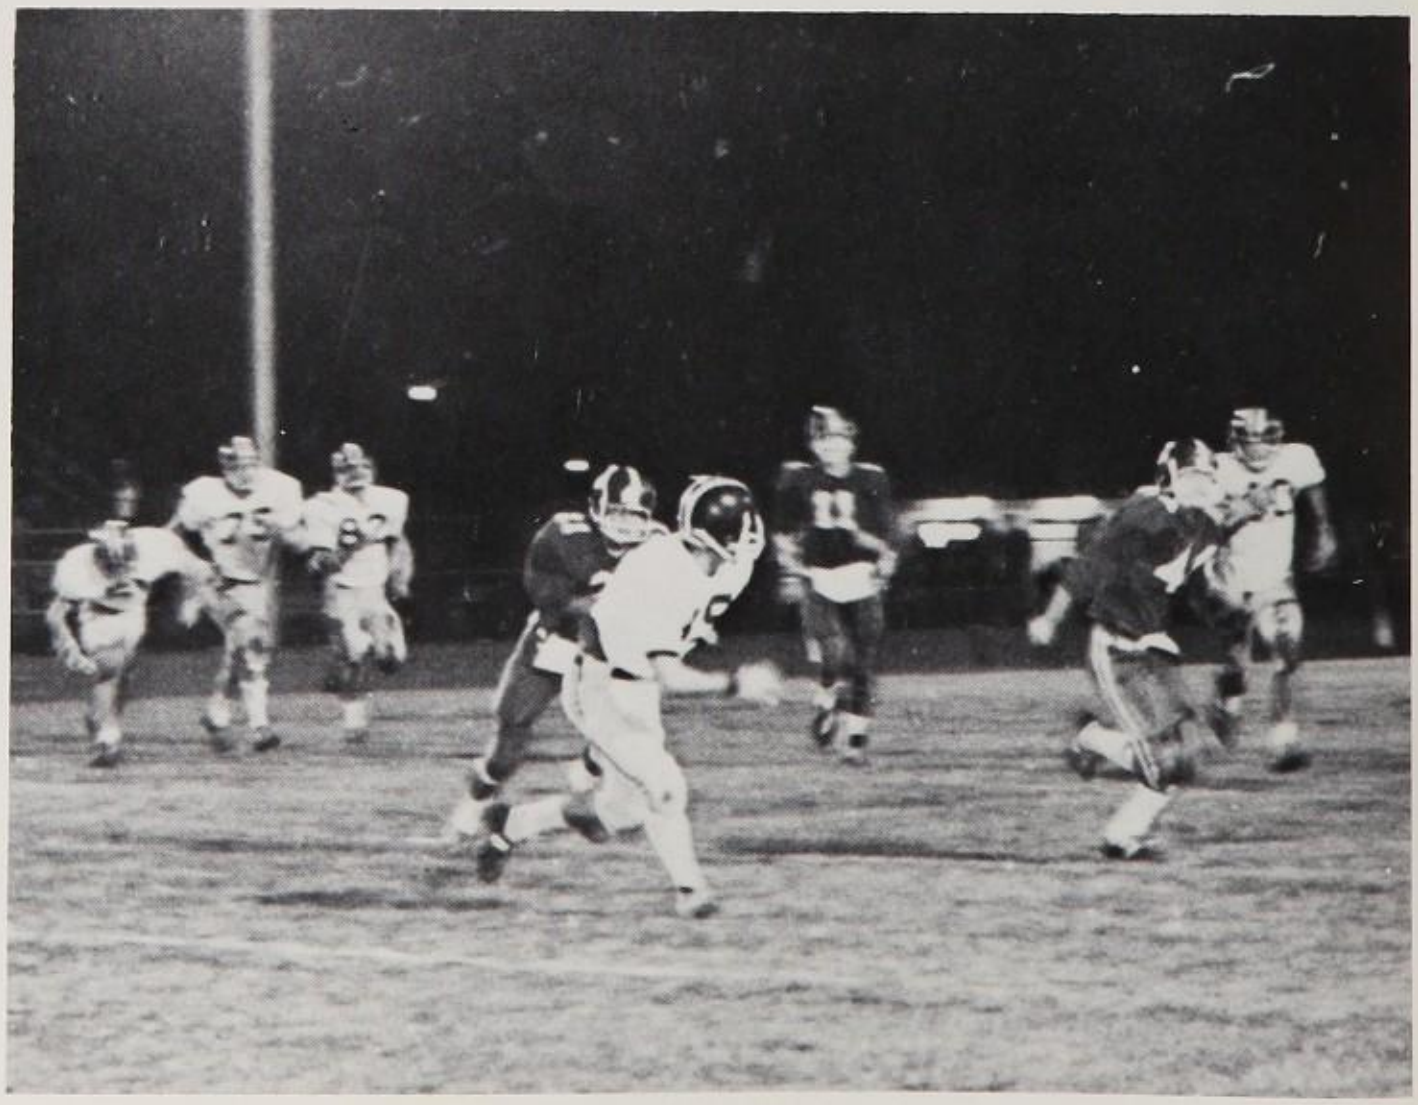
Victory Secured in Last Second of R. L. Turner Game

Stallion fans who are only fair weather friends missed a great comeback win for the Stallions if they left early from the R. L. Turner game played November 10. The game was evenly matched, as shown by the score that went back and forth throughout the game. The first two scores were made by the Stallions. The first was a 21 yard field goal by Ronnie Jones. For the second, Henry Harrison threw a T. D. pass of 24 yards to Roger Owens to make the score 10-0. The Lions came back with two touchdowns making the score 13-10.

The Stallions were getting desperate in the last few seconds of the game. Their desperation was ended when John Simmons unloaded a 37 yard T.D. pass to flankerback Rodney Talbot. When Rodney caught this one, the time was almost out. Talbot stumbled into the endzone to give the Stallions the game 23 to 20.

In the R. L. Turner-North Mesquite game, Rodney Talbot used his speed to help gain Stallion yardage on a reverse play.

Skeeters Corral Stallions



Scotty Yarbrough ends his high school football career with 202 yards against Mesquite. Shown is only one of his plays. Even with his excellent running in combination with the rest of the team, the Stallions were defeated November 17 28-18 at Hanby Stadium by the Skeeters for the first time on a cold and rainy mud-soaked field that always accompanies the annual tilt.

In the third year of 8-AAAA competition, the Stallions came through with their best season. They won 12 games and lost eight times in the season. Even though many games were rained out this year, the Stallions tied for second place with Denton High School. R. L. Turner won district 8-AAAA.

Hillcrest Diamond was the sight of many exciting games for the Stallions.

The games with Mesquite, which always seem to be so important to the Stallion fans, were victories for both schools. The Stallions won one, and the Skeeters were the victors of the other.

With the arrival of a new tennis coach, James Brinkley, the North Mesquite team has worked to build up their team which had only three returning players.

Coach Brinkley summarized the team efforts by saying, "More than anything the team has gained a lot of knowledge and maturity this year." With eleven juniors returning, things are looking up for next year.

The team has played over 40 matches during the season including four major tournaments — the Garland and Denton tournaments and the Mesquite and Dallas Invitationals. Team efforts produced a first place at the Mesquite Invitational held at North Mesquite.

Winning the trophies for most outstanding players in the all-sports banquet in May were Araceli Benavides and Charles Hobbs.

Thomas A. Edison, the research genius of his time, found a "better way" of life for the world when he first put electricity to use. Later, research by the electric industry and companies like Texas Power & Light Company created hundreds of new conveniences for home, industry and farm. And the future seems limitless. TP&L, in cooperation with other electric utilities, universities and the electric industry, has carried on a number of research programs spanning a wide variety of fields—from exploring the possibilities of converting heat and chemical energy directly into electricity, to developing a vastly improved design for electric water heaters and taking a part in nuclear study, research and development programs. If there's a better way, we'll find it!

OPPORTUNITY

The best of life is passing by
For yesterday just di
And all the things tomorrow brings
Have ne been tried.
The flowers that grew in yester years
Which long ago enchanted
Are no more fragrant than the flowers
Which never have been planted.
Memory neither speaks nor walks
And hope builds not the nest
We choose to live in later on
So give today your best.
